Monday, March 27th, 2023, 10am-3:30pm

# Privacy Enhancing Technologies for the Public Interest

# WORKSHOP

Georgetown Law Center, 500 1st St NW, 9th Floor

Join us for the Privacy Enhancing Technologies for the Public Interest, part of Georgetown University's Technology and Society Week!

This workshop is the second installment of an ongoing series connecting policy makers and technologists to encourage the development of thoughtful, impactful privacy enhancing technologies.  The workshop will feature presentations and interactive, small group brainstorming sessions.

To sign up or for additional information, visit our website petsforthepublic.com

Coffee and lunch provided!
